REAL-TIME FAITH is a Sabbath School curriculum offering an application-oriented study of Scripture for earliteens.
WHAT THE LESSONS ARE ABOUT

The emphasis of this curriculum is God’s kingdom of grace, being a recruited agent (steward, citizen) of that kingdom, and the battle between it and the kingdom of evil. Being in God’s kingdom requires action—being doers and not just listeners (James 1:22) of how to live as God’s agents on this earth.

The first lesson of each quarter of the two-year cycle is a different section of the Sermon on the Mount which is “at once Christ’s inaugural address as King of the kingdom of grace and also the constitution of the kingdom” (The Seventh-day Adventist Bible Commentary, vol. 5, p. 322).

After the first lesson of each quarter each of the other lessons (or sets of lessons) are about a different challenge, right, or privilege in the “real time” of being an agent of God’s kingdom. A Christian never knows what he or she will be encountering next.

The curriculum includes two websites:
- www.realtimefaith.net where students and teachers can access additional resources.
- www.guidemagazine.org/rtf where students can explore a topic each week with other e-teens.

HOW TO USE THE TEACHER’S GUIDE

STEP 1: Read through the entire preparation section of the Teacher’s Guide to become familiar with the lesson concepts. You will be best able to use the teaching material if you thoroughly understand the core concepts of the lesson.

STEP 2: Read the rest of the Teacher’s Guide material for the week, including the student lesson. Get an idea of the options provided for teaching the concepts. Go to www.realtimefaith.net to find additional resource material that might be available.

STEP 3: Choose the specific options you will use in teaching the lesson. There are more options provided than you will be able to use. Try to choose something from each category: Beginning, Connecting, and Applying. Keep in mind that the students need to have an opportunity to be interactive (participate actively and with one another) and to study from the Word.

STEP 4: Note when and how you will distribute or refer to the student lesson during the program. The student lesson for each week is integral to the teaching process and will be referred to throughout. The lesson should be distributed to the students (if they don’t already have it) a week in advance so that they may study it in preparation for Sabbath School.

STEP 5: Collect the materials you need to conduct the lesson. Once again keep in mind that student participation is vital.

STEP 6: Prepare the student lessons. If you keep the student Bible study guides at church, remove the appropriate student lesson for the week and prepare it for distribution. If the students take their Bible study guides home at the beginning of the quarter, make arrangements to be able to teach the lesson smoothly even if the students forget to bring that week’s lesson back with them. (Have the necessary Bible references listed on the board, have additional copies of the student illustration available, etc.)

STEP 7: Keep the end in mind. Plan to wrap up your lesson with a summary of what the students have learned.

Teachers, in your role as a discipler of youth, the General Conference Sabbath School and Personal Ministries Department wants to help you in every way possible to be equipped for this important work. You are encouraged to go to www.growingfruitfuldisciples.com. There you will find resources to help you be more intentional and fruitful in the discipling of your students.
